IMPORTANT: For all families: regular attendance makes the most of this investment, helps athletes improve, keeps lanes running smoothly, and supports teammates. Consistence is key to a great season! • With so many athletes and just a few coaches, we'd need parents and guardians to lend a hand in keeping the lanes running smoothly. Technically we will need to have one person for each lane to meet the athlete coach ratio. Your encouragement and any helpful tips you can share can make a big difference in helping athletes improve and enjoy the game. Thank you for being such an important part of their success!

About Bowling

Bowlers compete at a Regional Tournament in individual, doubles, team, Unified, ramp, or developmental events. A scratch score based on a 12-game average shall be used to determine divisions for Regionals • **Lane Assignments:** Lane assignments have been carefully arranged. Please help us welcome our new teammates!
