ABOUT BASKETBALL SKILLS

Basketball Skills is an individual competition focused on basketball fundamentals. Athletes earn points by completing a series of skills in a timed format. Events offered are Level 1 Basketball Skills and Level 2 Basketball Skills.

2026 SPRING SEASON OPTIONS

Basketball Skills athletes may also compete in Swimming, subject to State Games scheduling restrictions. They also may not compete in 3v3 Basketball or 5v5 Team Basketball.

COMPETITION LEVELS

Level 1 and Level 2 Basketball Skills will be offered during the Spring Season. Athletes compete in their registered level and must qualify at the Regional competition to advance to Spring Games.

PRACTICE CALENDAR

IMPORTANT: All practices are prepaid for each athlete. Regular attendance is important because athletes must meet practice requirements to remain eligible for tournaments. Consistent participation also helps athletes develop their skills and prepare for competition. If you are late or unable to attend, please notify the coach as soon as possible.
