

Dear Community Partner,

Every athlete deserves the opportunity to experience the confidence that comes from crossing a finish line, making a new friend, learning a new skill, or earning a medal. For athletes with intellectual disabilities, Special Olympics provides those life-changing moments through year-round sports training and competition.

At **Bi-County Special Olympics**, we proudly serve athletes throughout **Washington and Waukesha Counties**, helping them build confidence, improve fitness, develop friendships, and discover what they can achieve. Best of all, **our athletes participate at no cost to their families** because of generous community partners like you.

We invite you to become one of those partners.

On **Saturday, August 8, 2026**, Bi-County Special Olympics will host our **Mini-Golf, Putt, Chip & Driving Range Fundraiser** with a goal of raising **\$10,000** toward our annual fundraising goal of **\$35,000**. The event will bring together local businesses, families, volunteers, and community members for a fun-filled day supporting athletes right here in our community.

Your Sponsorship Makes a Difference

Your investment stays **right here in Washington and Waukesha Counties** and helps provide:

- Year-round sports training and competition
- Uniforms and sports equipment
- Facility rentals and competition entry fees
- Transportation, meals, and lodging for State competitions
- Opportunities for athletes to participate **without program fees**

When you become a sponsor, you are doing far more than supporting a fundraiser—you are giving local athletes the opportunity to build confidence, achieve personal goals, develop lifelong friendships, and experience the joy of belonging.

We are especially grateful to **Tee-Aire Golf** for generously providing the event venue and to **Waukesha Elks Lodge #400** for their event partnership and support. Their generosity has helped make this fundraiser possible, and we are proud to have them as community partners.

Whether you choose to become a **Title Sponsor, sponsor a contest or hole, donate a raffle prize, or make a monetary contribution**, your support will have a lasting impact on the lives of our athletes. Sponsorship opportunities are enclosed, with commitments requested by **July 22, 2026**, for inclusion in our printed event materials.

Thank you for considering a partnership with Bi-County Special Olympics. Together, we can continue creating opportunities for local athletes to train, compete, succeed, and discover that there are no limits to what they can achieve.

With sincere gratitude,

Alisa Novak
